**The cut off date for all ANSI transactions in Version 4010A1 is December 31, 2011.**

**January 1, 2012 only Version 5010 will be accepted for all ANSI transactions.**

Definitions:

Testing Date – Trading Partners can test to insure they meet syntax and implementation guide standards. Common and payer specific editing (if applicable) will also be tested.

Production Date – Is the date ASK can begin accepting and sending the new version 5010 for the transaction.
